AUGUST 2022

THE CHAELI CAMPAIGN

NEWSLETTER

This past month was another eventful one at The Chaeli Campaign from community projects to running events to birthday celebrations. Take a look at what we've been up to...

SPOTLIGHT ON...18 Years of The Chaeli Campaign

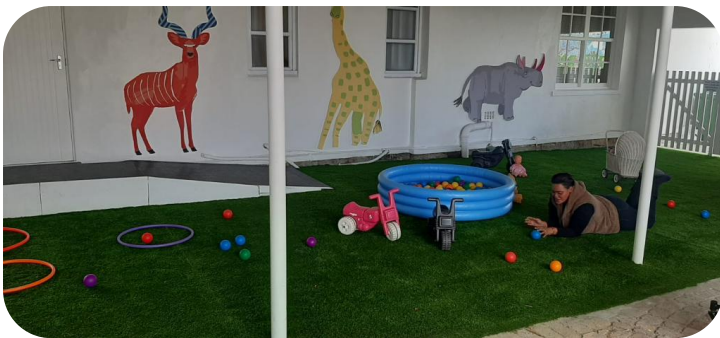

On 6 August The Chaeli Campaign turned 18 years old and we have spent the month reflecting on the special memories from the past few years.

We have shared some of our favourite stories on our social media pages and in case you missed them click on the button below to scroll through our Facebook posts where we highlight various programmes and memorable moments from the past 18 years.

We would like to thank our amazing funders and every single individual who has supported our work these last 18 years. Your support and belief in the work that we do is appreciated and with your partnership we will continue to make a difference in the lives of disabled children, young adults and their communities.

Lawn for our Littlies Update

We have our lawn!!

Thanks to the generosity of so many individuals and companies we were able to reach our target for our *Lawn for our Littlies* Mandela Day Challenge.

The children were so excited to come out into their playground and see the new grassed area. Every day there is either an obstacle course, ball pond or soft play equipment is placed on the lawn and the children have hours of fun during outside play time.

Thank you again to everyone who made this possible!

The Chaeli Campaign welcomes EKO to the family

Earth Kids Org (EKO) was founded by Reece, Kendall and Riley Slade in 2015 as an environmental awareness education campaign. Reece started EKO as his Chaeli Campaign Pay-it-Forward Ambassador outreach project. When Reece decided to travel abroad for his studies he transferred EKO to The Chaeli Campaign and we are now managing it as our "green" NPO.

Our very first EKO project involved the Pay-it-Forward Ambassador group from Gateway Primary School. The learners collected empty 2 litre plastic bottles and along with a generous donation from [ECO Bugs](#) they built a solid 2 seater bench for their school playground. Well done to the Ambassadors and to The Chaeli Campaign team, Olwethu, Hanna and Nthabi, who facilitated the workshop!

CSRC Runners take on the Comrades Marathon

This past weekend four of our Chaeli Sports & Recreation Club runners donned their colours of hope and took to the streets of Pietrmaritzburg for the 95th edition of the Comrades Marathon.

Team Beastie consisted of an all-female team this year, however, at the 18km mark Chantal, Chaeli and Daleen were joined for the remaining 72km by Gerhard who had met Team Beastie previously at the Two Oceans Marathon. The team had a good time out on the road and completed the race in 11 hours and 10 minutes!

Fellow CSRC Runner, Nicholas, participated in this gruelling event for the first time and finished in 11 hours and 51 minutes. Well done Nicholas!!

We are extremely proud of all our CSRC runners!!

Chaeli Cottage Preschool Open Day

Chaeli Cottage Preschool will be having an open day on 17 September.

Parents of children aged 3 - 6 are invited to come and see what our school has to offer your little one. You will have the opportunity to see our facilities and meet the teachers and Chaeli Campaign therapists.
