WHAT'S HAPPENING IN THE LIFE OF THE CHAELI CAMPAIGN

We are on DAY 67 of life in Lockdown and even though the country has moved to Level 3 The Chaeli Campaign will continue to work as we have been for the past two months. Have a look at some of the things we got up to in May.

OUR PAY-IT-FORWARD AMBASSADORS CARE FOR THEIR COMMUNITIES

WASH YOUR HANDS & SANITIZE

Amahle, a Chaeli Campaign Pay-It-Forward Ambassador in Soshanguve, was given the task to make her own hand sanitizer for her and her family. She decided that she wanted to make more than the required amount so that she could share with her neighbours. What a wonderful thing you are doing Amahle!

BROTHERS GET ACTIVE FOR FAMILIES

Northern Suburbs Ambassadors and brothers, Jayden and David, challenged themselves to complete 5km a day for 5 days. Through their challenge they raised R18900 for their sister, Ashlyn's NPO, Raising Hope SA. The funds were used to assemble food parcels for families who have been effected by the current pandemic. The families receiving the parcels have a dependent adult or child.

LET'S ENSURE EVERYONE HAS A MASK

Twins, Munashe and Tinashe, are both Pay-It-Forward Ambassadors in Soshanguve and they have decided to make cloth masks for 22 differently-abled Chaeli Crafters in the community. In the evenings instead of watching TV with their family they are making masks at their kitchen table. You two girls make us so proud. Thank you for looking after your community.

UPDATE ON OUTREACH PROGRAMME

Hazel, our community worker in Lavender Hill, and Bukiwe, our community worker in Masiphumelele, have continued supporting the communities they assist by providing cooked meals and food parcels to children and those who are most vulnerable.

This month The Chaeli Campaign also assisted one of the ECD Centres we work with in Philippi as they waited for food parcels from government.

If you would like to support the Outreach Programme, especially during the Lockdown period, please email info@chaelicampaign.co.za or see the details below on HOW TO SUPPORT THE CHAELI CAMPAIGN.

HOW ARE WE CONNECTING?

VIRTUAL PARENT BOOSTER SESSIONS

This month we launched our first virtual parent booster support session. This session, which takes place via Zoom, is a safe space where parents or family members with differently-abled loved ones can chat and support one another.

In order to accommodate all individuals we will be hosting a session on the last Tuesday and the last Saturday of each month.

The next booster session will be taking place on SATURDAY, 27 JUNE and TUESDAY, 30 JUNE.

If you would like more information on the booster sessions please email kirsten@chaelicampaign.org

THESE LITTLE PIGGIES...

Chaeli Cottage Preschool has definitely adjusted to school life in lockdown. Daily morning ring allows the children to see their friends and interact with their teachers and the therapists.

Teacher Debbie and her sock puppet friend, Sally, ask the children to find items around their homes followed by instructions for their daily activity.

One of the important lessons that the children learnt recently is why it has been so important to stay at home. Don't you love these little piggies?!
