WHAT'S HAPPENING IN THE LIFE OF THE CHAELI CAMPAIGN

We have a new website! Visit www.chaelicampaign.org for all the latest news, upcoming events and helpful resources.

It's been another busy month at The Chaeli Campaign! Our staff may be back at HQ but our work remains virtual for the most part. Lockdown has allowed us to relook at our programmes and we have come up with ways on how we can make it accessible for everyone. Take a look at what we have been up to this month...

MAKING A DIFFERENCE ON MANDELA DAY

As an organisation we get involved in Mandela Day every year as a way to honour Nelson Mandela and his commitment to human rights.

We had several activities and events on the go this year from webinars, food collection drives and a virtual quiz night.

The week leading up to Mandela Day, Pick n Pay Plumstead and Bergvliet KwikSpar placed a trolley in their stores for the collection of food items.

We received a nice collection which we were able to put together as food parcels for families in Masiphumelele and Lavender Hill.

We also received several monetary donations of R67 and we were able to bulk up the food parcels. Our community worker and occupational therapist also delivered hygiene packs and 120 stationery kits to the ECD centres we work with in Philippi.

Our #FeedingFamilies initiative is an ongoing project. Email info@chaelicampaign.co.za to find out how you can support this programme.

THE CHAELI CAMPAIGN TURNS 16!

For the past 16 years The Chaeli Campaign has been making a difference in the lives of differently-abled children and their communities.

We now face challenging times and to continue serving the communities we work with we invite you to support our exciting new venture!

On Thursday, 6 August, we celebrate 16 years of serving some of the most vulnerable communities and will launch the 3000in30 Challenge: our sustainability project. Please join us – sign up whether you are an individual or a company. Your monthly pledge will ensure our children continue to grow more inclusive communities.

On Mandela Day we hosted our very first "Conversations with Chaeli" webinar. The panel members were activists from around the world and they discussed the importance of Mandela Day and the role of youth in society. It was an amazing opportunity for young and old to engage in conversation around activism.

The topic for the next webinar is **MORE THAN A REFUGEE**. Join us on 22 August where we will hear from Baruani Ndume from DRC and Mohamed Al-jounde from Syria.

WHAT HAS CHAELI SPORTS & RECREATION CLUB BEEN UP TO?

If you are new to The Chaeli Campaign family you may not know that we have a sister organisation called The Chaeli Sports & Recreation Club, whose focus is on running, cycling and wheelchair dancing and dancing for the disabled.

Due to the Covid 19 pandemic all official races and sports events have been cancelled until further notice. To keep us active the CSRC launched virtual challenges for its members. Every a week a new challenge is put out and participants need to record their activity and send in selfies. The winner of each challenge is awarded virtual points and wins bragging rights for that week. Some of the challenges that have been completed include Street Scrabble, Find the Sun and Something Blue.

If you would like to join the challenges please email info@chaelisports.co.za
