APRIL 2021

Can you believe we are into the second quarter of the year?! It's quite unbelievable but here we are at the end of April. Take a look at what's been happening in the life of The Chaeli Campaign...

SPOTLIGHT ON.... Our Community Workers

Have you ever wondered what role our community workers play in the work that we do? Our community workers in Lavender Hill, Masiphumelele and Philippi are the "bridges" between The Chaeli Campaign and the communities we serve and most times they are a pillar of strength and a fountain of knowledge to the families they support.

Watch this short video introducing our Masiphumelele community worker and power house, Bukiwe, and her role in her own community.

STORY OF HOPE...

Kudzai Marozwa

Kudzai is no stranger to supporters of The Chaeli Campaign and this month we are sharing his [Story of Hope](#).

Today, we ask you to delve into the world of Kudzai Marozwa, a young gentleman who has been deprived of the opportunity to share his voice with the world. The story of his parents, Joe and Ellen, introduces how we came to know and love the boy with an unstoppable will to live.

In 1991, Joe and Ellen met for the first time. While working for the same primary school in Zimbabwe, these two Shona teachers connected. And despite being much younger, Ellen fell in love with Joe, a wonderful man who was drawn to her enthusiasm for life and deep compassion for others. Some years later, Joe asked for Ellen's hand in marriage – offering lobola to her family and the chance to fulfil her dream of one day having a perfect family of her own.

You may remember that Kudzai received his EyeGaze as an early Christmas gift last year. This has been a life-changing communication device for Kudzai and he is now raising funds for a mounting system that will allow the EyeGaze to remain in the position he requires.

Fun on the farm

On 17 April the [Chaeli Sports & Recreation Club](#) hosted a 5km Trail Run/Walk on Dreyersdal Farm. It was wonderful being able to enjoy the fields and olive groves once again and it will definitely be an event we host again.

Thank you to everyone who supported us by volunteering their time and to those who joined us for the run/walk.

Ways to help out...
