NOVEMBER/  
DECEMBER 2023

And just like that, it's December! What a whirlwind of a year 2023 has been. We've faced significant challenges and experienced great loss, but amidst it all, we've accomplished many beautiful things. This newsletter is dedicated to all of our supporters who make our work possible year after year.

## Music from Erin!

Erin is one of the Chaeli Campaign founders, and she is undoubtedly a multitasking woman! Not only is she a business owner, entrepreneur, and mother of three boys, but she has also ventured into the world of music. Erin has always been interested in music and writing her own songs, so we are proud that she finally took the leap and has, so far, released two songs—with more to come.

Congratulations, Erin! You can listen to her songs on Spotify. The link is below.

## ✦ A Magical Adventure ✦

The Chaeli Cottage Preschool kids had their concert "A Magical Adventure", and it certainly lived up to its name! Kudos to the Chaeli Cottage Preschool team for creating such a memorable and enchanting experience for the kids and their families!

## The Chaeli Campaign 17th Annual Golf Day!

The Chaeli Campaign's 17th Annual Golf Day at Clovelly Country Club was a swingin' success, thanks to the incredible support from the golfers and sponsors!

To every golfer who joined us on the course and to our amazing supporters, THANK YOU! Your commitment to our cause truly makes a difference. Together, we're creating opportunities and breaking barriers for disabled children.

And a massive shoutout to our generous sponsors – Happinest Neon, Ina Paarman's Kitchen, The Galileo Open Air Cinema, Jakes Restaurants, UCOOK, Cape Sidecar Adventures, Table Mountain Aerial Cableway, Clay Cafe in the city, Orlichem, Sweet LionHeart, Giovannis Deli, One & Only Cape Town, ADDIS.co.za, GOLD Restaurant, The Liz McGrath Collection, Selwyn Eagle, and Bruce Wilsnagh.

Thank you to Hugh McCabe from Digital Business Academy for capturing these moments!

## Pay-It-Forward Ambassadors graduate

Congratulations to all the Chaeli Campaign Pay-It-Forward Ambassadors for your commitment this year!

## Sensory Station designed by engineering students

We've had the pleasure of hosting engineering students Katy, Tyler, Lindsay and Olivia from Worcester Polytechnic University for the last two months. The students have designed a sensory station as part of their partnership with The Chaeli Campaign.

We appreciate this ongoing partnership with WPI and wish the students a safe trip home this week!

## Chaeli Sports & Recreation Club Awards Ceremony

We held our CSRC Awards on the 3rd of December and celebrated our amazing athletes!
