

OUR FIRST EVENT OF 2024!

Can you believe it? We're turning 20 this year, and what a ride it's been! To kick off our anniversary celebrations, we're diving into 2024 with the CSRC Fun Run. It's all about joyful energy, community spirit, and, of course, a bit of sweat—or a lot, with the way the weather has been lately...

The poster features a blue background with a gold medal hanging from a blue ribbon in the top right corner. The medal has the Chaeli Club logo on it. Below the medal, there's an illustration of a group of runners in various colors running on a green path. The text is in white and red, with some elements in a blue rounded rectangle.

Once a year, Henry and Lynette Louw generously open their home, Dreyersdal Farm in Bergvliet, to the community for our annual CSRC 5km Run/Walk. The 5km route is a picturesque route through the olive grove, alongside a small lake, and amidst the cows – a true working farm experience. In short, expect a unique and memorable event! The run is scheduled for the 10th of February, with registration starting at 7 am and the run kicking off at 8 am.

We can't wait to see familiar faces and welcome new friends to join in the fun. So mark your calendars and spread the word. Let's make this anniversary kickoff one for the books!
