

3-9 June 2024

7in7 Challenge Team Beastie

7 ultra-marathons. 7 days.
1 purpose.

Meet Team Beastie: Chaeli Mycroft, Mark 'Muddy' Ferreira, and Ivo Riva. From 3 June to 9 June 2024, they're taking on the ultimate challenge: 7 Ultra Marathons in 7 days, ending with Comrades 2024!

But here's the best part - you can be a part of this epic journey too, no matter where you are! Read below for a way you can support this initiative.

Success stories from last year!

Last year, our goal for the 7in7 challenge was to get more adaptive duo teams on the road. Two weeks ago, we saw this dream starting to become a reality! Thanks to your support and generosity during last year's 7in7 Challenge, we built a running jogger, and our Eunice and Tswelang Pay-it-Forward Ambassadors were the first to test drive it. The joy of both the adaptive runner and the pilot runners was truly unmatched. For more footage from this, please see our [Instagram](#) and [Facebook](#).

Introducing the 7in7 Challenge 2024 Edition

This year, the 7in7 has been expanded to include the 7in7 Community Challenge! We are inviting everyone to take on a personal challenge during the seven days from 3 June to 9 June. Participants sign up for R250 and support The Chaeli Campaign's disability inclusion efforts. These efforts include providing custom-made equipment to enable more disabled athletes to participate and supporting the Chaeli Cottage Preschool scholarship fund for disabled preschoolers.

Signing up is easy:

- What will your 7in7 Challenge be? You can choose anything – running, swimming, walking, reading, knitting, self-care, whatever you find challenging.
- Pay your support fee of R250/\$13/€12/£11 when you sign up on www.chaelicampaign.org.
- Follow the link and join the 7in7 Community WhatsApp Group to share your stories.
- Challenge one (or ten!) friends globally to sign up to do their own challenge!
